MESSAGE FROM MAYOR WENDY WALLER

Mayor Wendy Waller
mayor@liverpool.nsw.gov.au

Liverpool is the gateway city to the Western Sydney Aerotropolis set to take off around Western Sydney Airport in the coming decade.

The Creating Australia's Best Airport City conference, held on 1 November, was a resounding success for Liverpool City Council and highlighted the rapid growth that has already begun in our city and is set to continue into the future.

The conference came just days after Liverpool CBD's biggest-ever event *Eat Your Heart Out Liverpool*. It was wonderful to see Macquarie Mall and Bigge Park looking so vibrant and full of people.

As we move into the festive season, I would like to wish you all a Merry Christmas and a prosperous New Year.
