EXPRESSION OF INTEREST RELIGIOUS/SUNDAY HIRE APPLICATION FORM 2023

The aim of this application form is to assess the Expression of Interest from religious organisations intending to provide programs and services through the utilisation of Council's community facilities. Groups and/or institutions may submit an Expression of Interest (EOI) for twelve months.

Council reserves the right pending on availability to permit groups to conduct services. On Sundays should any group wish to apply for both blocks detailed information is required to further assist with assessing the application. Council reserves the right to increase fees and charges on an annual basis. The increase will take effect on 1 July each year.

A list of Council's community venues can be found in Appendix A.

Applicants must have read and understood Council's [Permanent Hire Terms and Conditions](#) prior to submitting their application.

All existing religious organisations that are permanent hirers of the community venues are required to renew their agreement for 2022 by filling out this application.

Applicants will be assessed through an evaluation process and as stated in Council's Statement of Revenue fees & charges will apply at a Category C block rate.

These applications will be assessed against the following selection criteria:

- The program provides a needed community service in line with Council's Management Plan and Community Strategy (the Community Strategy can be accessed via Council's website).
- The venue is suited to the proposed program.
- The organisation has proven financial management.
- If the organisation has utilised Council venues in the past: the organisation has conducted themselves according to Council's policies and procedures.
- The service is based in Liverpool and targets customers from the Liverpool Local Government Area.
- The organisation has a current Public Liability Insurance policy.
- The organisation has no outstanding debt for previous usage.

Community Facilities Management will collate all applications received with one of the following actions occurring:

- 1 When only one application for a specific time at any centre is received and it meets the selection criteria the group is recommended to complete the appropriate hire forms the process will be finalised as they submit their current Public Liability Insurance details.
- 2 When two or more groups have applied for identical times and centres, negotiations will take place to try to meet the needs of each group. The groups will be assessed against the stated selection criteria and Council's social plan's objectives. If this is successful then each of the groups are advised to complete the appropriate hire forms and submit their current Public Liability Insurance details.
- 3 Where the negotiations fail and there is a conflict in the bookings, applications will be forwarded to the Coordinator Community Facilities Management for resolution, with groups advised of the outcome in writing
