### Bents Basin State Conservation Area

#### Highlights:

The basin forms a deep waterhole, part of a gorge on the Nepean River between Camden and Penrith. Bents Basin is a popular stop over spot for people on day trips to the country.

#### Activities:

You can enjoy water-based activities such as swimming and canoeing. There are picnic areas with barbecues, fireplaces and accessible toilet facilities (though the basin is not accessible by wheelchair). Car based and caravan camping is available in the camping area with facilities such as coin operated hot showers. Bookings are required and fees do apply.

#### Access:

Sixty km west of Sydney, 25km south of Penrith along Wolstenholme Avenue off Greendale Road from Wallacia in the north or Liverpool in the east.

### Leacock Regional Park

#### Highlights:

Leacock Regional Park provides a welcome area of open space in Sydney's southwest. From the ridgeline there are views over the Holsworthy bushland and Sydney's skyline.

#### Activities:

Walking trails along the banks of the Georges River link the park with other facilities such as Casula Powerhouse Arts Centre. There's a lookout platform, barbecues and picnic facilities. Please make sure you keep your dog on a leash.

#### Access:

Thirty-five km west of Sydney CBD, 5km south of Liverpool via Leacock Lane off the Hume Highway at Casula.
