

FOGO CADDY TIPS

Here are some useful tips to keeping your FOGO caddy fresh

Replace liners every few days as they will start to break down

Don't overfill your compostable caddy liners, to prevent breakage

Keep the caddy lid closed to avoid bad smells as well as flies and pests

Rinse/wash your FOGO caddy and bins regularly

Store the caddy in a cool, dry place to reduce the attraction of flies

Freeze smelly or rotten food in an airtight container and empty it straight into the bin the night before collection
