As your Mayor, I am committed to open and honest communication and providing as much information on Council’s services as possible. With this in mind, I am proud to introduce Council’s performance report for January to March 2015.

This report tracks our progress and performance against our Operational Plan and Budget for the past three months.

During this period, Council continued to deliver on its commitments. We finalised plans for two of Council’s key strategic projects, the Macquarie Mall upgrades and the Carnes Hill Recreation and Community Precinct.

The Macquarie Mall will become the beating heart of the CBD and form one segment of Council’s Building Our New City project. The Mall will undergo a complete modernisation, with a multitude of improvements including new tiling and paving, outdoor furniture, children’s play areas, a large TV screen, overhead lighting and street furniture. Council has engaged with local businesses and Town Improvement Fund contributors, discussing the plans and ensuring locals and businesses are prepared for the changes and the opportunities it presents. Tenders for construction have been released, with works planned to commence in late 2015.

The Carnes Hill Precinct will deliver an activity hub, contributing to a healthy, active lifestyle for local residents. The precinct will include a library, indoor sports centre, playgrounds, picnic areas and café. A story on Channel 9 news highlighted the precincts role in growing the area and fostering dynamic suburbs in our city. Works have commenced and the project is planned for completion in mid-2016.
Council held a host of exciting festivities and events, including Australia Day at Woodward Park, Memories in the Mall, a tribute to the National Apology made in 2008, and Harmony Day in Bigge Park, attracting more than 15,000 people to celebrate our country and the multitude of cultures it harbours.

We continued to deliver on infrastructure, planting trees, and improving our local road networks. We invested in our facilities and created new green space for everyone to enjoy, including opening the improved Macleod Park in Prestons. The park includes a new pathway, outdoor gym circuit, children’s playground, half basketball court and dog exercise area. The park also has a new liberty swing, a first for people with a disability in Liverpool.

I hope you read through the document and encourage you to contact me personally if you would like to discuss many of the exciting projects we have planned for Liverpool.

Mayor Ned Mannoun
Liverpool City
Executive summary

This report provides an overview of Council’s performance against the Growing Liverpool 4-year Delivery Program and 2014-15 Operational Plan and Budget for the third quarter, January to March. It displays Council’s key achievements and tracks service delivery over the period.

During the third quarter, Council:

- Held a number of cultural and community events including Australia Day, Harmony Day and monthly night markets, attracting more than 20,000 people.
- Opened the new look Macleod Park in Prestons
- Finalised plans for, and received positive media coverage on the Carnes Hill Recreation and Community Precinct.
- Repaired and resurfaced more than 3000m² of road pavement.
- Achieved a 99.8% utilisation rate of its childcare centres.
- Delivered a range of capital works and improvements including roads, footpaths, bicycle lanes, open space and environmental restoration projects.
- Collected and processed 11,428 tonnes of garbage, 4,198 tonnes of recycling and 5,244 tonnes of green waste.

Building Our New City

Strategic Project Update

This project developed and commenced implementation of a strategy to revitalise Liverpool’s city centre and position Liverpool to capitalise on the opportunities arising from its status as the regional city of South Western Sydney.

Progress

Project Update

The preparations for the Macquarie Mall upgrade are progressing well, with various construction based tenders released. Construction is planned to commence late 2015.

Stage 1 works for Bigge Park are being investigated and documented for tender in early July 2015. This includes footpath upgrades, new lighting and trees.

Council held a Building Our New City consultation session for Town Improvement Fund contributors and city centre-based businesses. The session detailed project plans and milestones, allowing local businesses to make informed decisions on their future in Liverpool.
Badgery’s Creek Airport Task Force Project

Strategic Project Update

This project aims to establish an internal Council taskforce to investigate opportunities to maximise economic potential and minimise any adverse impacts resulting from a second airport for Sydney at Badgerys Creek. This project will ensure that Council is able to represent the local community during discussions and planning with all stakeholders.

Progress

Project Update

Monthly Airport Taskforce meetings were held in February and March. Local community members were invited to provide their input into the developing plans for and Council’s involvement in Sydney’s second airport.
Liverpool Night Markets

Strategic Project Update

This project involves the trial of an open air night market on Macquarie Street in Liverpool on the first Saturday of every month to activate the Liverpool city centre at night and celebrate Liverpool’s rich diversity.

Progress

Project Update

Monthly Night Markets were held in February and March. More than 3,000 people attended each edition of the Night Markets, further highlighting its continued importance to the growth of the night time economy.

Safety audits, contributing to safer, healthier suburbs were conducted at the following locations:
- Barry Road and Yachtsman Drive, Chipping Norton
- Northern Link and Burnside Drive, Warwick Farm
- Hart Park and surrounding, Warwick Farm
- Meere Park, Lurnea

Clean Up Australia Day (CUAD) was held on Sunday, 1st March and included businesses and schools. 24 community groups, 37 schools and 2 businesses participated in the event with approximately 4 tonnes of litter collected and cleaned up from our local environment.

6,966 m² of Graffiti removed.

Council worked with Inspire Community to conduct a homeless street count in February. The results of this count will assist the Liverpool Community Kitchen and Hub to seek further resources.

Wattle Grove Youth Centre received a complete upgrade as part of the Community Building Partnership Project. This included internal and external upgrades to the flooring, walls, lighting and kitchenette.
Safer Suburbs Project

Strategic Project Update

*Deliver the Safer Suburbs Program Secure Taxi Rank Scheme to improve safety in and around taxi ranks within the city centre.*

Progress

Project Update

A consultation was undertaken with licensed premises in Liverpool along with NSW Police, Taxi drivers, Taxi companies (Taxis Combined, Premier), the NSW taxi Council and the local Liquor Accord about the safety of taxi drivers and patrons.

The findings of the consultation identified the need to introduce the highly successful NSW Secure Taxi Cab Scheme program in the Liverpool Local Government Area. The purpose of the Secure Taxi Cab Scheme program is to provide patrons with monetary vouchers to be used for transport home from the licensed venue.

Three licensed premises have signed on with Taxis Combined, others are in the process.

The Safer Suburbs Project will be completed in June 2015.
Expansion of Council’s e-Planning Portal

Strategic Project Update

*Expansion of the e-Planning Portal on the web to include assessment and lodgement and enable more efficient processing of development applications.*

Progress

![Progress Icon]

Project Update

The ePlanning Portal has been updated to include a new interactive mapping system for planning maps. This will allow the community and industry to find planning information quicker and easier. More information will be added to the mapping system throughout 2015.

The ePlanning Portal has also been expanded to include electronic lodgement for combined DA/CC applications. This is currently under testing in a pilot program and will be available to the public in the new financial year.
Healthy Inclusive City

Direction Three

10-Year Strategies

• Foster social inclusion, strengthen the local community and increase opportunities for people who may be experiencing barriers.
• Celebrate and respect Liverpool’s rich cultural and social diversity and embrace the opportunities it provides.

3.5 Recreational Facilities
3.6 Social Outcomes

1-Year Actions

Healthy Inclusive City has 54 actions in the Operational Plan 2014-15. Of these:
• 28 are short term initiatives, projects & programs
• 26 are ongoing services

Delayed Actions

3.2.6 Needs Attention – Review and update the generic Plan of Management for Community Facilities - Will be developed after endorsement of strategy, which is currently in development

3.5.8 On Hold – Progress design plans for establishment of a skate park at Miller – Pending completion of a recreation strategy

3.6.10 – On Hold – Establish the Greater Western Sydney Community Farm at Rossmore Grange – A review was undertaken to determine the financial sustainability of the Community Farm. As a result of the review, the Community Farm was discontinued in December 2014. Discussions are being held with Family and Community Services to negotiate a variance of funding to deliver an alternative project that will enhance the health and well-being of the community.
January to March highlights

Council’s childcare centres continued to provide benchmark services for the community, achieving a 99.8% utilisation rate and positive feedback from patrons, parents and children alike. Four of the seven centres have now been assessed under the new national standards with all four exceeding these standards.

Ten focus group consultations were held across Liverpool from January to March, with approximately 200 community members participating in the sessions. Feedback from participants will inform Council’s Multicultural Strategy and Action Plan for 2015-2017.

More than 230 people came along to Memories in the Mall, held in partnership with the Aboriginal Consultative Committee. The event commemorated the National Apology by the then Prime Minister, the Hon Kevin Rudd MP in 2008.

A partnership was established with Bankstown Area Multicultural Network to deliver an information session on the National Disability Insurance Scheme (NDIS) for people with a disability, their carers and sector workers. More than 20 people attended the information session.
Council partnered with Liverpool Migrant Resource Centre and the Western Sydney Wanderers to host Harmony Day in Bigge Park. Harmony Day is a day of cultural respect for everyone who calls Australia home and promotes a shared learning and understanding of the nation and its diversity. More than 600 people, including 150 school students enjoyed activities, performances and a citizenship ceremony.

Amalfi Creek Flood Detention Basin

Strategic Project Update

This project will provide new infrastructure to increase flood protection, improve public safety, protect property and infrastructure in Casula, Lurnea and Liverpool. The project involves the construction of a 48ML flood detention basin at Amalfi Park, Lurnea as part of Council’s wider Brickmakers Creek flood mitigation project.

Progress

Project Update

The tender for this project has been awarded and construction works including excavation, embankment and stormwater drainage works are underway. The project is on track for completion by June 2015.
City Centre Trunk Drainage Project

Strategic Project Update

The project involves construction of large diameter trunk drainage system as part of Council's wider city centre flood mitigation project to reduce flooding, public safety and protect property within the city centre.

Progress

Project Update

Design completed. Sydney Water approval for water and sewer main modification works and Endeavour Energy approval for electrical cable relocation works are underway. Tender has been advertised and closing on 30th April.
Accessible Connected City

10-Year Strategies

- Provide safe and easy travel with a high quality road and traffic management network.
- Encourage sustainable and alternative transport options such as walking, cycling and public transport.
- Collaborate with key stakeholders to maximise community access to emerging technologies.

Construction of Kurrajong Roads

Strategic Project Update

This project involves the extension of Kurrajong Road between Kookaburra Road and Sarah Hollands Drive to improve access to major commercial, industrial and residential areas, as well as to distribution centres within Prestons. Once completed, a direct east to west link will be available from Hume Highway to Cowpasture Road, significantly improving traffic conditions and access across the local government area.

Progress

Project Update

The road and bridge works which will complete the link between Carnes Hill and the Hume Highway are progressing in advance of schedule. Works are anticipated to be completed in December 2015.
Warwick Farm Bypass Road

Strategic Project Update

*The project involves the construction of a new road between Governor Macquarie Drive (GMD) and Priddle Street, to bypass the Warwick Farm horse training and residential area, eliminate traffic conflicts between horse movements and heavy vehicles movements and improve residential amenity.*

Progress

Project Update

The intersection design with Governor Macquarie Drive is being reviewed due to the need for access into the Australian Turf Club lands.

Council is currently in the land acquisition process and detailed designs of the road are being developed.
10-Year Strategies

- Position Council as an industry leader, delivering best practice and innovation.
- Lead partnerships and collaboration with community, business and governments.
- Provide business excellence and financial sustainability to deliver services that meet community expectations.

January to March highlights

Citizenship Ceremonies were held throughout the quarter, including ceremonies in conjunction with the Australia Day and the Harmony Day celebrations.

Council continued its quarterly CEO briefings to staff, updating employees on the priorities and achievements for the organisation and the City.

Council continued to meet its obligations under the Government Information (Public Access) Act. During the quarter, Council processed 201 informal and interagency information requests and 10 formal access applications.

The Business Improvement team completed a number of projects and initiatives aimed at gaining efficiencies for the organisation:

- Completed a review of services to the community
- Invested in Promapp software and implemented it across Council
- Formed the Liverpool Services Alliance with Propel Partnerships

"Council’s return on investment portfolio for the quarter end was 3.94% exceeding the UBSW benchmark of 2.72%"
Website

There has been a 4% increase in new visitors and a 2% decrease in returning visitors to Council’s website. Visitations are also significantly higher than last year’s quarter average, reinforcing the website’s popularity as the first point for information.

Property Strategy

Strategic Project Update

This project will develop and implement a strategy for optimising Council’s commercial properties and providing property investment solutions which reduce Council’s reliance on income from rates and improve long-term business sustainability.

Progress

Project Update

A Property and Commercial Development directorate has been established to carry out Council’s regulatory functions and to maximise opportunities around commercial holdings.

Council is working through an existing property needs analysis. Strategies will be developed following completion of this project.
