COMMUNITY FACILITIES MANAGEMENT

EXPRESSION OF INTEREST REGULAR HIRE APPLICATION FORM 2023-2024

The aim of the application form is to assess the Expression of Interest from organisations intending to provide community programs and services to the Liverpool community through the utilisation of Council's community facilities.

Applicants must have read and understood Council's **Permanent Hire Terms and Conditions** prior to submitting their application.

Community Facilities Management will assess the application. These applications will be assessed against the following selection criteria:

- The program provides a needed community service in line with Council's Management Plan and Community Strategy (the Community Strategy can be accessed via Council's website).
- The venue is suited to the proposed program.
- The organisation has proven financial management.
- If the organisation has utilised Council venues in the past: the organisation has conducted themselves according to Council's policies and procedures.
- The service is based in Liverpool and targets customers from the Liverpool Local Government Area.
- The organisation has a current Public Liability Insurance policy.
- The organisation has no outstanding debt for previous usage.

Community Facilities Management will collate all applications received with one of the following actions occurring:

1 When only one application for a specific time at any centre is received and it meets the selection criteria the group is recommended to complete the appropriate hire forms the process will be finalised as they submit their current Public Liability Insurance details.

- When two or more groups have applied for identical times and centres, negotiations will take place to try to meet the needs of each group. The groups will be assessed against the stated selection criteria and Council's social plan's objectives. If this is successful then each of the groups are advised to complete the appropriate hire forms and submit their current Public Liability Insurance details.
- 3 Where the negotiations fail and there is a conflict in the bookings, applications will be forwarded to the Coordinator Community Facilities Management for resolution, with groups advised of the outcome in writing

Fields marked with an asterisk (*) are **mandatory**. Please answer these in full; Council will not evaluate incomplete applications.

Please return completed applications along with the necessary supporting documents via the following:

- In Person at Liverpool City Council Customer Service Centre, Ground Floor, 33 Moore Street, Liverpool NSW 2170 Monday to Friday, 8.30 am to 4.30 pm
