MESSAGE FROM MAYOR WENDY WALLER

As Sydney's third CBD and the gateway to the new Western Sydney International Airport, Liverpool is a city of opportunity.

Our economy is as diverse as our community, with a gross regional product of \$11.33 billion across a myriad of industries.

Looking to the future, there are a number of opportunities arising in the fields of health, education, advanced manufacturing, agribusiness and transport and logistics, supported by major catalytic projects reshaping Liverpool and its surrounds.

Mayor Wendy Waller
mayor@liverpool.nsw.gov.au

I invite you to join industry leaders at [Invest Liverpool 2020](#) to learn about the city's rapidly evolving landscape and how Council will support jobs and growth by tapping into Liverpool's vibrant, talented and connected community.

The forum will be held at The William Inglis Hotel on Tuesday 3 March and is the perfect opportunity to put your business front and centre as part of Liverpool's bright future.

Tuesday, 3 March 2020, 8:00 am - 5:00 pm

**The William Inglis Hotel - MGallery by Sofitel
155 Governor Macquarie Drive, Warwick Farm**

Western Sydney International Airport and the Liverpool Innovation Precinct are major catalytic projects shaping the future of Liverpool.

Join industry leaders for a discussion about the opportunities arising in Liverpool in the fields of health, education, advanced manufacturing, agribusiness and transport and logistics.

Explore the city's rapidly evolving landscapes and hear how you can be part of Liverpool's bright future.

Register your interest in attending at www.liverpool.nsw.gov.au/invest2020

LOCAL UPDATES

LIVERPOOL VISITOR GUIDE LAUNCH

The first love Liverpool visitor guide will be launched at the Liverpool Foodie and Growers Market.

The Guide is being developed with the tourism and hospitality sector to showcase to locals and visitors the great things to see, taste and do in the local government area. The guide will be distributed through businesses in Liverpool, hotels throughout Sydney and visitor information centres throughout the state. Council will also hold regular pop-ups to distribute the visitor guide.

Council will be giving away 200 tote bags at the launch event. Council invites local businesses to [submit an EOJ](#) to be part of the tote bag giveaway to promote their business to attendees.

Saturday, 28 March 2020 - 7.00am - 1.00pm
 Liverpool Growers and Foodies Market
 Childs Park, Corner Ascot Drive & Central Avenue, Chipping Norton

SUPPORT FOR BUSHFIRE AFFECTED SMALL BUSINESSES

Practical support is available to all businesses affected by the NSW bushfires, from damaged or destroyed property to disrupted business and reduced income.

Support for all businesses, including lost trade or disruption

Disaster Recovery Allowance Assistance is available if you can show you have experienced a loss of income or have been adversely affected as a direct result of the NSW Bushfires in August 2019 through to January 2020.

The Disaster Recovery Allowance is a short-term payment to help you if a declared disaster directly affects your income. The payment is available in specific local government areas. You can call to discuss on 180 22 66 and can click [here](#) to claim.

Small Business Recovery Toolkit

The NSW Small Business Commission has developed a range of resources to help small business owners recover from disasters. Click [here](#) to access these resources. These complement the NSW Government's Get Ready Business - five step guide to preparing for disasters (2018), which helps business owners prepare for disaster in five simple steps.

COMMUNITY STEM ENGAGEMENT GRANTS

The Maker Projects: Community STEM Engagement grants are now open for applications. Community STEM Engagement grants support STEM-related organisations and businesses to collaborate with STEM experts, other businesses and communities to deliver STEM initiatives to under-18s.

Competitive grants support projects that foster the development of STEM skills, build creativity and confidence, and encourage under-18s to pursue STEM studies and careers. This could include hands-on workshops and maker activities, travelling to regional Australia to deliver robotics workshops and other activities that foster young peoples' STEM skills.

UPCOMING EVENTS AND WORKSHOPS

INTERACTIVE FUTUREMAP® WORKSHOP

Competing in today's digitalised world and winning in the fourth industrial revolution (Industry 4.0) requires global context and market access, entrepreneurial leadership, a culture of innovation and the adoption of new emerging technologies. But above all, it needs a different set of thinking.

[Liverpool City Council](#), together with the [Southern Strength Agile Manufacturing Network](#), the [Western Sydney Investment Attraction Office](#) and the [Innovative Manufacturing CRC \(IMCRC\)](#), invites you to an interactive [futuremap®](#) workshop to shine a spotlight on today's leadership, strategy, innovation, and digital manufacturing capabilities.

Designed for Australian manufacturing SMEs, the workshop encourages you to consider the opportunities that emerging digital technologies and new business models pose for your business.
