

POSITION DESCRIPTION

Casual Theatre Technicians (POS1353)

Directorate:	City Community and Culture	Department:	Casula Powerhouse Arts Centre		
Position Grade:	7	Reports to:	Technical Producer		
Last review:	October 2013	Next review:	October 2015	Version No.:	2.0

Position purpose:

To provide assistance to the Technical Producer, Venue and Events Producer in the provision of technical (Lighting, sound and audio visual) installation and operation for a diverse range of theatre programs including dance, music, multi-media, film and special events, as well as in-house/external events which all contribute to the centre's theatre program.

Casual theatre technicians are responsible for the provision of services and technical support to presenters to meet production requirements compliant with relevant technical and arts venue requirements. This includes working with the Theatre Technician and the Venue Technical in setting up, striking and operating all equipment to support a range of small to large live performances and events. This technical support is to be provided with properly developed and managed WHS practices and risk management procedures.

Key accountabilities/responsibilities:

Responsible for:

- 1) Installing, rigging and focusing of lighting, sound, set and AV equipment in both theatre and the galleries.
- 2) Operating lighting, sound and AV ranging from presentations, theatre and dance productions through to large scale community events.
- 3) The safe and efficient management and maintenance of stage lighting, audio and audiovisual equipment.
- 4) Provide clear, concise verbal and written reports to both internal team and external clients.
- 5) Clearly and effectively communicating with a wide range of clients, customers and staff.
- 6) Methodical and effective approach to problem-solving technical issues that arise.
- 7) Effectively participating in a dynamic team environment and under time pressure.

Decisions made in the position:

- 1) Customer service and problem solving.

Decisions referred:

- 1) Contribute to work plan priorities in consultation with the Technical Producer and Assistant Technical Producers
- 2) The implementation of technical risk management procedures, manuals and emergency evacuation procedures
- 3) Expenditure for maintenance, replacement of plant and equipment

Key issues/challenges:

- 1) Assist in the implementation of a comprehensive and consultative program of Casula theatre productions, events, festivals and community programs that range from local to international, short to long term with competing deadlines that meet statutory requirements for the live performance industry
- 2) Liaise effectively with technical crews during bump-in, bump-outs and other technical staff during show call periods.

POSITION DESCRIPTION

Casual Theatre Technicians (POS1353)

- 3) Working with clients from diverse backgrounds, with different resources, expectations and expertise.
- 4) Identifying and implementing technical solutions for desired set, lighting and sound effects.

Key working relationships:

- Technical Producer
- External crew and creative teams
- Venue and Events Producer
- CPAC staff
