## **General Requirements**

General information

- No works to be commenced until permit/consent is issued by Council
- The applicant shall contact Council and provide this information at least seven (7) working days prior to the intended commencement date of works. Upon receipt of the necessary information, Council will issue a permit/consent for the work

#### Processing and approval

The immediate processing of requests is not guaranteed and Council will not be responsible for the consequences caused by late applications or insufficient information.

- An appropriate fee must be paid when lodging this application and if a further fee is payable, the applicant will be advised by Council. This fee shall be paid prior to issue of the permit/consent for the work.
   Cheque clearance is required prior to issue of the permit.
- At the time of lodgment, a copy of the owner's and/or principal contractor's public liability insurance cover to the order of at least \$20m, including number/expiry date, needs to be submitted and if there are any unknown details such as start and end dates of the work, etc.

#### Applicant's responsibility and compliance

- The owner is, by way of signature to the application, responsible for compliance with all of the agreements, declarations and permit/ consent conditions and likewise responsible for compliance in respect of all agents, subcontractors and anyone else carrying out part or all of the activity authorised under the permit/ consent
- A copy of the Council endorsed application and the permit/consent must be held onsite and be available for inspection whilst the activity is being carried out
- The applicant shall contact Council for any extension of time required for the work, prior to the original expiry date

#### Temporary restoration

- The applicant will be held responsible for all damage in the vicinity of their work unless they have reported damage prior to commencing the work. This report will be either a dilapidation report prepared by the applicant or a pre-inspection prepared by Council prior to commencement of any work. At locations with significant defects, a joint inspection is required with the Council officer on completion of works
- The applicant of the proposed activity, shall maintain it in a safe condition until temporary restoration is accepted by Council.

### Notes on Scheduled Fees

- Detailed schedule of fees and charges can be checked via <u>Council's</u> <u>website (www.liverpool.nsw.gov.au/fees</u>).
- All fees are payable in advance.
- The fee payable will be assessed by the Development Engineering Unit according to the schedule of fees.
