Dear Mr Scully

**Re: Liverpool City Council submission on Hoxton Park Road Upgrade**

I refer to Liverpool City Council's submission on Hoxton Park Road upgrade dated 18 October 2019. A copy of the submission is attached for your information.

Following RMS's briefing of Councillors last Thursday 24 October 2019, Councillors have voiced significant concerns in relation to aspects of the proposed upgrade to Hoxton Park Road and its impact upon plans for the Fifteenth Avenue Smart Transit Corridor.

At its meeting of 29 October 2019, Council moved an urgency motion and resolved as follows:

*That Council:*

1. *Makes supplementary submission on the Community Update on the proposed Hoxton Park Road;*
2. *Calls on the RMS to revisit the option for centre-running and that the State Government not make a final decision on centre-running verses side-running, until after further design investigation is completed by Council and Transport for NSW on Fifteenth Avenue;*
3. *Further, that this resolution be forwarded to the RMS forthwith;*
4. *Undertake a communications campaign and to delegate to the CEO that our concerns and dissatisfaction are immediately conveyed to the RMS and the Minister for Transport and all political representatives in the area. The example of the Dorrigo Avenue entrance and exit be included as an example of Council's dissatisfaction and that we oppose any suggestion that it be closed; and*
5. *Advocate to Transport for NSW that Hoxton Park Road to be treated in its entirety rather than separate sections.*

Consequently, please note the above Council resolution, supplementary to the attached submission.

Please do not hesitate to contact me on 8711 7444 if you wish to discuss this matter any further.

Yours sincerely

**Tim Moore**
