Explore the Collection

Casula Powerhouse Arts Centre is home to a collection of over 1,500 artworks. The focus of the collection is to build a legacy from the creativity and commitment of emerging and established artists and showcase artworks that engage, entertain and challenge audiences across our community.

Our collection reflects the diversity and distinctiveness of Liverpool and the Western Sydney region and features many significant Australian contemporary artists.

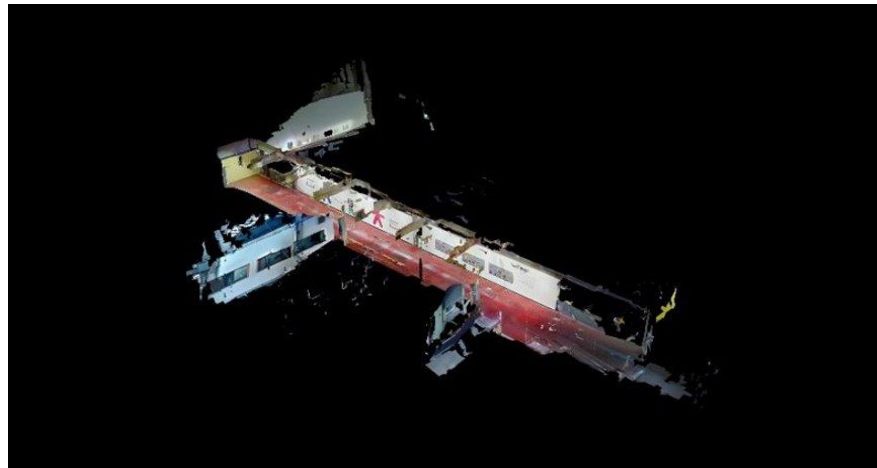

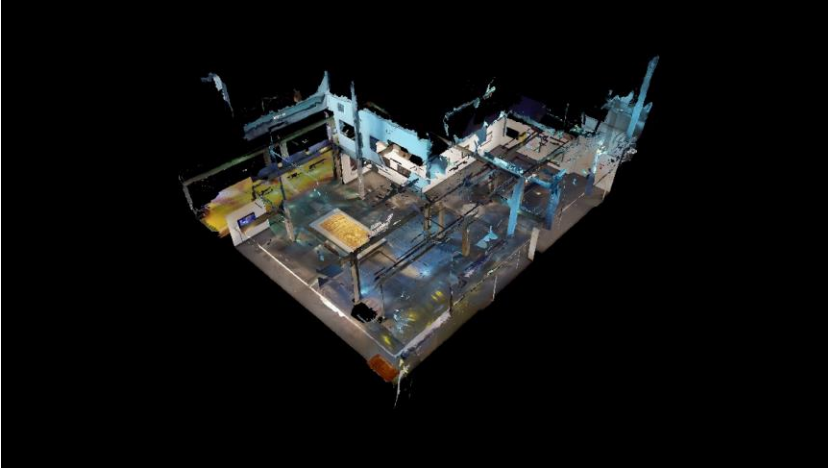

212 works from our collection are currently available to view online.
